KDC'S CO-OP ACADEMY

.....

Before we start any collective enterprise, initiative, or organized efforts, we need to build the foundation for an inclusive and equitable and efficient organizational culture. The Fall 2021 Co-op Academy program is tailored to address the unique challenges and highlight best practices of starting and managing a cooperative enterprise for emerging cooperative leaders.

Topics include:

- The Cooperative Advantage
- Engaging Members
- Group Decision Making
- Leadership & Governance

KDC's Co-op Academy is designed for teams of cooperative board leaders, steering committees, and members and staff of cooperative businesses working together on a start-up or established cooperative within any industry.
